In most Chinese cities but especially the internationalized metropolis of Beijing, Shanghai, Hong Kong and Macau, and other tourist-famous cities, tipping is very common in tour-related area. Actually, it is not a must but will be greatly appreciated by Chinese. Since tipping is a personal matter, please do not feel uneasy about it. What or when you choose to tip depends entirely on how you rate a service but you are not under any obligation to do so. Here below are the suggestions for tipping:
Ø US\$ 3 p.p. per day for the guides,
Ø US\$ 2 p.p. per day for drivers,
Ø US\$ 1.5 per piece of luggage check-in and checkout in each city for the bellboys.
