Seminar location: Corfu Reading Society Building

- The building at the top center is the “Reading Society” Building where our seminar will take place.
- The building at the bottom is the marina where we have some of our lunches. The picture is taken from the balcony of the Reading Society.

Reading Society Building

- Many rooms for discussions.
- The presentations will include time for discussion between participants.
- There will be a poster room with helpful information on technology, networking, and grant writing in community music.

Transportation from hotels to Seminar (Only needed for Arion Hotel)

- Arion Hotel: Go left from the hotel entrance and around the corner and you will come to the bus stop. If you are walking go left around the corner and continue to the Old Fortress (20 min walk)
- City Marina Hotel: No need for a bus between the seminar location and the hotel. Going to the hotel: Go left from the Old Fortress Gate and continue along the water until you come to the marina and hotel. You will pass the Asian Museum. Approx 10 minute walk. From Reading Society, go left around the corner and the hotel is across from the marina. (Approx. 5 minute walk).

Activities: Asian History Museum

- The museum is just a couple of buildings away from our CMA seminar location and includes a variety of Chinese history which fits with our Asian Pacific Initiative.
- The castle is to the right of the museum and the Reading Society is on the left of the museum through the arch. Maps will be emailed to all participants prior to the seminar.

Activities: The next island has a restaurant where we will have a dinner activity.

Activities: Café Discussions

- One of the events is a “café discussion”. This is a time where people with similar interests in community music can have coffee or tea in a nice atmosphere and discuss community music and potential opportunities for networking on projects and initiatives.
